

In order to provide a safe and secure environment for our children, the Kid's Ministry at University United Methodist Church (UUMC) requires an adult to check children in and out of weekly programs and special events.

There are some exceptions, however, for kids in 3rd-5th grade. With a completed parent permission form on file, 3rd-5th graders may check themselves in and out of Sunday School and in to Wednesday Night Kids (WNK). They must be checked out from WNK by an adult due to time of day.

Note: Even with a completed parent permission form on file, Kid's Ministry staff and leaders reserve the right to hold kids in a safe and secure environment at our discretion.

To give permission for your 3rd-5th grader to check in and out of Sunday School and/or check in to WNK by himself or herself, please complete the information below and return this form to the Kid's Ministry office at UUMC.

I, _____, give permission for my child,
(parent/guardian's first and last name)

_____, in the 3rd / 4th / 5th grade
(child's first and last name) **(circle one)**

to check him/herself in and out of Kid's Ministry programs at UUMC as stated above. I understand that my child's safety will best be assured by having an adult check my child in and out of Kids' Ministry events. By signing this authorization form, I hereby relieve UUMC, its ministries, employees, representatives and agents of responsibility for my child's safety while not directly under the care and supervision of an adult who has received the UUMC- and Conference-required Child Safety Training.
