The Brooks family has been involved with Overseas Mission Fellowship in Thailand since the late 1990's. They are currently involved in church planting in two districts and also coordinate a ministry called Satta which uses football (our soccer) as a gateway into communities and building relationships. One of their prayer requests is that the church in Thailand to be place of acceptance and forgiveness and that all are valued. Theirs is a servant leadership.

The McCraes have been in the foreign mission field for 25 years. They are presently serving in Bogota, Columbia. Covid is growing in Columbia and with that is an increasing need for more food and supplies. They are feeding about 100 people a day. At least two dozen people have come to Christ as a result of the feeding program. Ongoing projects include finishing Boys Home to house young offenders, a community center, offices to offer food and workshops, and the addition of a second floor on a church to serve as a Sunday School / multipurpose room.
